

Sponsor A Down Syndrome Awareness Month Poster

We are excited to spread awareness during October with our Down Syndrome Awareness Month Poster campaign. Posters will be displayed at libraries, schools, businesses in Nebraska. You can decide where the posters are displayed, or we can display them locally. The choice is yours. There are no limits to the number of personalized posters you can sponsor. There are 3 styles of posters available in 3 different sizes and a yard sign option (yard signs are similar styles printed horizontal and include a stand). Each style can be personalized with a photo of your loved one with Down syndrome. Posters will be processed within one week of final design approval. You will also receive a copy digitally that you can share with friends and family who might also like to sponsor a poster.
