Vision Statement

The Department of Education states that the intent of the IEP Vision Statement is:

- 1. to reflect the thinking of the entire IEP Team (including the parent and the student),
- 2. to look forward to future goals of the student,
- 3. to represent high expectations and dreams for the student, and
- 4. to be reflective of federal requirements for transition aged youth. The character of the IEP Vision Statement will change based on the age of the student.
