Fun from last year's Star City Buddy Walk.

HOW DO YOUR DOLLARS HELP?

All donations and sponsorship dollars are greatly valued and will be used to support individuals with Down syndrome and their families. Some examples of how your dollars will be used are:

Providing resources to support parents when a new diagnosis of Down syndrome is given.

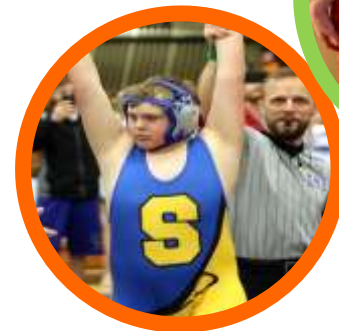

Paying for inclusive community events for individuals with Down syndrome of all ages to enjoy.

Funding Medical Outreach efforts which bring positive information to medical offices and families receiving a new diagnosis.

Star City Buddy Walk

DSAA Nebraska invites you to participate in our 4th annual Star City Buddy Walk for Down Syndrome, March 16, 2019 at Gateway Mall in Lincoln, NE.

Down Syndrome Advocates in Action Nebraska (DSAA NE) is a 501(c)(3) non-profit organization that advocate for the value, acceptance and inclusion of people with Down syndrome.

This year we are excited to announce that we are again partnering with our National organization NDSS to host an official Buddy Walk! The Star City Buddy Walk is our main fundraiser and awareness event each year. Your support, at any level, would be greatly appreciated by our community where 95% of the funds raised stay right here in Nebraska. When your company sponsors an event like this, it shows everyone who attends the walk that your business is proud to support individuals of all abilities.

By becoming a sponsor, you will help our efforts to empower parents and people with Down syndrome to:

- Become stronger advocates
- Encourage healthy lifestyle choices
- Raise positive Down syndrome awareness
- Build closer community relationships
