Buddy Walk

DSAA Nebraska invites you to participate in the Central Nebraska Buddy Walk to celebrate the lives of people with Down Syndrome, June 12, 2022. We will be celebrating with a walk at Yanney Park.

Down Syndrome Advocates in Action Nebraska (DSAA NE) is a 501(c)(3) non-profit organization that advocates for the value, acceptance and inclusion of people with Down syndrome with locations in Kearney and Lincoln.

We are excited be partnering with our National organization NDSS to host a local Buddy Walk! The Buddy Walk is our main fundraiser and awareness event each year. Your support, at any level, would be greatly appreciated by our community where 95% of the funds raised stay right here in Nebraska to help support local efforts. When your company sponsors and event like this, it shows everyone who attends the walk that your business is proud to support individuals of all abilities.

By becoming a sponsor, you will help our efforts to empower parents and people with Down syndrome to:

- Become stronger advocates
- Encourage healthy lifestyle choices
- Raise positive Down syndrome awareness
- Build closer community relationships
