

When and where is the walk?

Our Walk for Down syndrome is March 11, 2017 at Gateway Mall, located at 6100 O Street, Lincoln, NE. The purpose of the walk is to promote positive awareness of Down syndrome while promoting a healthy life style within our community. The walk is held in March in honor of World Down Syndrome day on March 21st. While the walk itself is free, participants who take part in the walk wearing a Down Syndrome Advocate t-shirt or button, will receive one raffle ticket for each lap they complete at the mall. Individuals with Down syndrome will get free rides on the Carousel from 10-11 am. This is a fun family event.

What time should we arrive?

You can walk any time between 9 am and noon, at your own pace, using any route you choose. Those who wear walk shirts and buttons will be spreading positive awareness around the busy mall, while getting healthy exercise at the same time. You can choose a time for your team to meet and walk together, or have them walk on behalf of your loved one with Down syndrome at a time that works for each team member. We will be concluding the walk and drawing raffle prizes at noon, so plan to have your laps completed by that time if you want to participate in the raffle.

How long is the walk and what is the route?

How far you walk, and where you go is entirely up to you. We recommend making laps of the mall.

What if I am unable to walk?

For those unable to walk we encourage you to come to the mall and wear your Down Syndrome Advocate shirt or Pin to spread positive awareness.

Where do we go after we finish our laps?

After you complete your laps, and if you are wearing a Down Syndrome Advocate T-shirt or pin, come to the check in table to receive your raffle tickets. You are welcome to shop as you walk or complete your laps quickly. There is a food court and many dining options available if you are hungry before, during or after the walk.

This is our first time attending. What can we expect?

Expect a ton of fun and smiling faces! While our walk is our major fundraiser of the year, it is also a huge time of celebration for our friends and family with Down syndrome and the upcoming World Down Syndrome Day (3-21). Individuals with Down syndrome will get a free ride on the carousel, and we will have some random acts of kindness ideas for those planning to celebrate WDSO 2017.

What color are the t-shirts?

The t-shirts will be gray.

Will there be enough t-shirts?

We make every effort to have enough t-shirts of every size. However, to be sure you get a t-shirt, please have your team members pre-registered by February 26th . If a walker is not registered and requested a shirt by this date, we will not be able to guarantee a t-shirt on the day of the walk. Don't risk missing out on this year's shirt – get registered!

Do I have to join a team?

That is up to each individual. We have many folks come to support DSAA NE on their own. Walking is done at your convenience at your own pace, so if you choose not to join a team or form a team that is just fine.

Are there team contests for most money raised, most walkers, etc.?

The first 15 teams that raise \$500 will receive a Down syndrome Awareness metal yard sign. . Teams raising the most money and registering the most walkers can choose to have their loved one with Down Syndrome featured in next year's walk materials. We are working on some new contests for this year, so be sure to check the Facebook page and read your emails!

What if I can't attend but want to join a team or donate?

You will be missed! However, you can still join a team and get a t-shirt or button, even if you are unable to attend. Of course, donations are always welcome too. You can even have a team of "virtual walkers." We hope to see you next year!

How can I volunteer?

It takes many volunteers to make our walk fun and safe. If you or your group are interested in volunteering, email DSAA NE at dsaaofne@gmail.com. We usually ask volunteers to be there by 8:00-8:30 and wrap it all up by noon. Volunteers do anything from assisting in activity areas, lining the route and cheering on the walkers, set-up, clean-up, etc. Volunteers must be 18 years or older.

What are some ideas to help my team raise money for DSAA NE?

-Ask your employer, local businesses, doctor's office, etc. to sponsor your team. There are several different levels of sponsorship and a sponsorship form can be found on our website homepage, www.dsaane.org. Be sure to let us know if you have a gold, silver or bronze sponsor, so we can make sure they get the benefits of their sponsorship package. You can email us at [www.dsaaofne@gmail.com](mailto:dsaaofne@gmail.com) to let us know. Even if a company chooses not to sponsor at the levels listed on our brochure, they may still be able to donate a smaller amount for your team.

-Ask your employer or school if you can have a dress-down day or jeans day. Everyone who wants to participate can pay \$1 (or whatever you determine).

-Ask your school or employer to do a change drive. Employees or students bring in their loose change of any amount. Ask if you can have a visible spot at the entrance as people arrive for them to drop their change. Of course, cash is always accepted. Be prepared to make a trip to a bank that has a change counter.

-Have a bake sale or better yet, offer your homemade specialty via social media and offer to deliver to those who purchase.

-Ask employer to match any funds raised by their employees for your team.

-Put your personal story on social media. List your child's accomplishments. How has your family grown through this experience? How have you grown? What are some challenges ahead? Mention what the funds will be used for as DSAA NE finds new ways to celebrate, educate and support our families. This is also a great way to educate others about the amazing potential and advancements of people with Down syndrome.

-Announce our walk and your team on social media with a link to register and/or donate.

-Have a contest at your school to raise money. The class that raises the most money will get a pizza party or whatever you decide to give.

Have fun with this! You will find that most people want to give but just need to be asked.
